MASON CITY - The sentencing date has been set for a Mason City woman accused of embezzling from a local dental practice.

Kiki Sue Jutting, 34, Mason City, was in Cerro Gordo County District Court Monday morning to formally plead guilty to a charge of first-degree theft in connection with the alleged embezzlement of \$80,026.04 from Central Park Dentistry in Mason City.

She has agreed to restitution in that amount. Jutting will liquidate her 401k account which will yield an estimated \$25,000. The dental practice's insurance carrier may reimburse the firm for approximately \$50,000. Jutting would be responsible for setting up a payment plan for the balance.

Jutting's sentencing has been set for 9:20 a.m. Oct. 10.

Jutting could be sued by the insurance company to recover the money it pays out in a settlement.
